INVENT – INVEST 2025

14th Edition

Dear Colleagues!

The Romanian Inventors Society, with support of the Technical University of Iasi and the University of Pannonia cordially invite you to the jointly organized 14th INVENT-INVEST Event (Workshop & Exhibition), which we will be implemented this year in Veszprém (Hungary) as a satellite event of the "European Conference on Innovation Management (ECIM) 2025", aiming to provide greater space for the joint realization of management and technological successes.

More details about this satellite event you can find on the website of the conference ECIM 2025 and on the website of the Romanian Inventors Society: [ecim 2025](#) & [SIR](#)

The Organizing Committee

Please visit this website and select the „Romanian Society of Inventors” option in the registration menu. After the registration you will receive a survey in which the presentation materials can be submitted.
